COMMENTS: FYI -- [redacted] called this a.m. with sev. items; ~~1~~ one concerned the new DIS 38 week course ~~(title?)~~ which we had discussed earlier in connection with the Masters Degree in Strategic Intelligence proposal. A letter will be coming, probably from the Commandant, DIS, to Dir/DIA, to either Mr. Colby, or the DTR, offering the Agency 1 or 2 slots in this course, which will begin 10 Sept. and run through 14 June 1974; presumably our student(s) would also be a candidate for the MA Degree, if the latter is approved by Congress, etc. Ed wanted to alert us to this; also plans to put a note in his activities report to EA. Because of importance, and length, of course, Ed feels selections would probably be handled at the TSB level.
